Homework Hotspot Reading Log

Genre of the Month: _____

Pay attention to the genre listed above and read at least one book from that genre before the month is over. After that, you may read any other book of your choice. List the date, book title, author, and genre of the story you read each night. Remember to add the pages you read, and the time you read after you're finished reading. You must read for a minimum of 15 minutes each night. Tally up your time totals at the end of the month. You may need a parent's help with this. If you read for a total of more than 6 hours in one month, you may attend our Book Club Lunch!

DATE	BOOK TITLE	AUTHOR	GENRE	PAGES READ	TIME READ
